## **OKLAHOMA STATE CLAIMS ISLEWORTH TITLE**

### **Second-round leader Bud Cauley of Alabama holds on for medalist honors**

**WINDERMERE, Florida** – Top-ranked Oklahoma State broke out of a late third round tie with Florida to win the team championship at the Isleworth Collegiate Invitational. Despite carding their highest round of the tournament, the Cowboys claimed a five-stroke win at Isleworth Golf & Country Club in Windermere, Fla., Tuesday.

Oklahoma State and Florida entered the final three holes of the event tied at 20-over, but key birdies by OSU's Peter Uihlein and Kevin Tway pushed the Cowboys over the edge and into the driver's seat down the stretch. Uihlein, who finished the event tied for third, birdied the par-5 17th and par-4 18th, while Tway birdied the par-4 16th. Florida's Tyson Alexander led the Gator surge with a 1-over 73 on the day to move from 15th into a seventh-place tie.

Alabama's Bud Cauley shot even-par to remain atop the leaderboard and claim his second collegiate victory. Cauley posted rounds of 69-70-72 and finished at 5-under, holding off a final-round push from Stanford's Sihwan Kim, who fired a 68 to finish one shot back. Texas Tech's Nils Floren and Uihlein tied in third place after shooting even par throughout the event and South Carolina's George Bryan IV finished at 2-over in fifth place.

Stanford (289-300-299—888) finished third behind the Cowboys (291-289-301—881) and Gators (292-292-302—886), while Georgia (304-297-292—893) and Alabama (299-293-304—896) were fourth and fifth, respectively.
